Narriv.

FOR BRANDS, AGENCIES & INSTITUTIONS

NARRATIVE INTELLIGENCE

# Know the issue before it spreads.

Narriv monitors **online news, YouTube, social media and AI answers** about your brand every hour, scores the reputational risk, and tells the **right person what to do and by when**, with a board-ready report every week.

### 1 Monitor hourly
News, YouTube, social media and AI answers, collected automatically.

### 2 Detect the risk
Mentions grouped into issues, with sentiment and risk scored.

### 3 Alert the owner
Each alert has an owner, the next step and a deadline.

### 4 Report weekly
A daily brief and a weekly PDF report, ready to send.

## What your team gets

MORE THAN SOCIAL LISTENING

### Hourly monitoring
Indonesian and international media, checked every hour, not once a day.

### Risk score & issue map
One score with the issues driving it, and how fast each one grows.

### Alerts with an owner
Email, plus Slack, Teams or webhooks, with an escalation matrix.

### Daily brief & Ask Narriv
What changed overnight, and answers from your own data with sources.

### AI visibility
How ChatGPT, Claude, Gemini and others describe and recommend you.

### Board-ready reports
PDF, Excel and CSV in English or Bahasa Indonesia, sent on schedule.

COVERAGE

## Every channel your audience uses.

Online news · YouTube · TikTok · Instagram · X · Facebook

+ AI ANSWERS: ChatGPT · Claude · Gemini · Perplexity · DeepSeek

- Indonesian-language media
